Hi Sonja.

You won't believe this. The jury was a hung jury - they could not reach a verdict. A mistrial was declared. Therefore, we get to try this case again. There is a status next Friday, the 24th. Please advise if you have any scheduling issues any date after the 24th. Thanks.

Maida

Sorry - I hope I didn't screw up your case beyond repair. I don't believe that I said anything that was not on the drug receipt and/or certificate (i.e. number of bags), which the SFD PD was given copies to, and I know I didn't say anything about the defense (strategy?) specifically about this case. I'll make sure that it doesn't happen again (it's never happened before). Once again, my sincere apologies.
